Jim Denvir, III

Washington D.C.

1401 New York Ave, NW
Washington, DC 20005
Phone 202 895 7560

PROFILE

Jim is a highly experienced litigator and trial lawyer, having successfully represented clients in numerous bet-the-company lawsuits, government investigations and other adversarial matters.

He has successfully represented companies across a wide swath of industries, including airlines, telecommunications, pharmaceuticals, agriculture, biotech, footwear, automobiles, natural gas production and distribution, oil pipelines, solar energy, and cloud computing and storage.

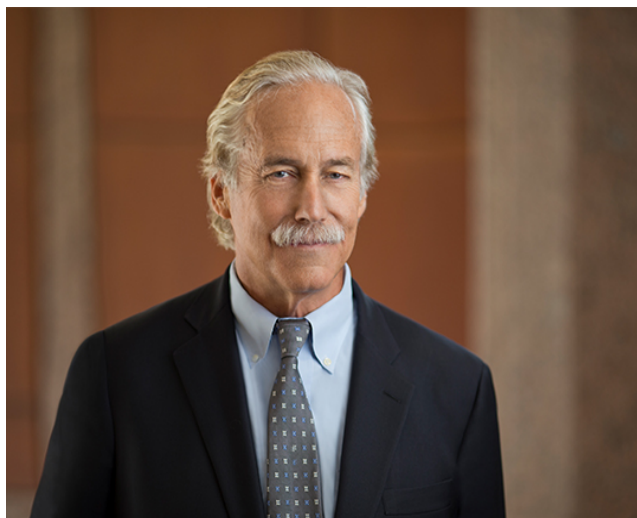

Jim began his career in the Antitrust Division of the U.S. Department of Justice where he served, inter alia, as co-lead trial lawyer in the Trans-Alaska Pipeline case and as Chief of the *U.S. v. AT&T* Trial Staff, the lawsuit that broke up the Bell System.

Jim was named a **Mergers & Acquisitions and Antitrust Trailblazer** by *The National Law Journal* in 2017.

EXPERIENCE

Since entering private practice, Jim has served as lead, or co-lead, trial attorney in numerous high visibility matters, including the following:

- Lead counsel for Genesco in its successful trial to obtain specific performance of a \$1.5 billion merger agreement, one of the first such cases to be tried in the wake of the credit crisis
- Co-lead counsel for Delta Airlines in its merger with Northwest Airlines
